Young Artists Drawing

Even the very young can learn to draw satisfaction. They can develop an eye to 'see' like an artist, improve hand eye coordination, fine motor skills. Most important they can finish a drawing and be proud of the results. We will use music and visual aids to have a fun and relaxing class. INSTRUCTOR: Cynthia Poulos received an MFA in design at Tulane University. As a designer she had to learn to draw and use many techniques that are useful to teach children in a fun and relaxed atmosphere. She has taught pre-school aged children as well as K-6th and adults.

Athletics

Junior Tennis: Beginning and Intermediate

The course is an easy introduction to the game of tennis. The focus will be on building racquet skills and technique through challenging and fun games. This healthy activity builds movement skills and self-esteem and will take your child away from the video screen. Each child will gain experience of the game of tennis and an understanding of their own positive personal style. The course offers exposure to the social aspects of tennis: including manners and etiquette. Tennis is meant to open doors, not close them. INSTRUCTOR: Kevin Madera has been a local instructor for over 20 years. He has taught beginners, intermediate and even professional players. He brings a lively and fun attitude to learning this lifelong recreational sport.

Dance

Pre-Ballet

For children who want to try a ballet class, this is a fun introduction. Dancers develop gross and fine motor skills, learn cooperation, self control and class etiquette all while learning basic ballet. They catch fairies when they plie, jete over a ribbon and dance with a scarf to a story. Children should wear a simple leotard with tights and ballet shoes. A skirt is optional. For questions about the class contact Miss Matrisha at 415-722-8281. INSTRUCTOR: Matrisha Person is trained in Ballet, Modern Dance and Theater Arts. She has been teaching dance to young children throughout the Bay Area for over 15 years. With her creative and nurturing teaching technique, she inspires children to dance and learn while having fun. After school enrichment program

Focusing on educational and recreational activities for Elementary School-Age students, our classes will enhance your child's school experience. Classes in subjects such as art and sculpture, Foreign Language, Science Adventures, dance and drama, Lego Engineering, chess, music and sports programs may be offered at your school site!

Our programs are now offered in both the Dixie and San Rafael School Districts! Currently, we have classes at: Coleman, Dixie, Glenwood, Mary Silveira, Miller Creek, Sun Valley, Vallecito and Venetia Valley! We also offer afterschool sports programs in partnership with the Physical Education staff at Davidson Middle School! Call us for details and additional locations!

These fee-based classes are offered on a first-come, first-served basis. A limited number of scholarships are available for families who qualify. Look for flyers to be distributed during the first weeks of school. If you have questions, enrichment information will be available in mid-August. Please call us at (415) 485-3333 for more details.
