

The Frequent Parker

Downtown San Rafael Parking News

VOLUME 3, ISSUE 3

FALL 2011

Hello.

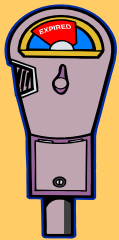

Chilly though it was, summer has come and gone in our fair city.

Last issue we told you about our monthly parking program. This issue, we talk about our Frequent Parker Card. It's a great program. So, be sure to read about it. It's the perfect solution for those folks who aren't downtown every day.

As always, feel free to contact us at (415) 458-5333 or parking@cityofsanrafael.org.

To see us in person, visit our office at 1060 D Street, near the corner of 5th and D.

Vince Guarino, Parking Services Manager

Broken Meter?

Report meter malfunctions to our technicians at fixmeter@cityofsanrafael.org

Save 50% on Parking in our Garages!

Our Frequent Parker Card is great for those who are in downtown San Rafael on a part-time basis or are a recurrent customer or client. The Frequent Parker Card allows you to pay your garage fees by the hour, not by the month. The card is accepted in both City garages making parking easier than ever. Paying just for the parking you actually use can save you a lot of money over time. The Frequent Parker Card, at a low, yearly cost of \$25, boasts a 50% discount from the normal posted hourly rate of \$1 an hour, with the added convenience of unlimited parking time. The card provides the San Rafael user with up to 250 discounted transactions within a 12 month period.

Avoid the time restriction of parking meters. This card is perfect for anyone who is regularly in the City but not here so often that monthly parking makes sense. It's a convenient way to save money on your downtown parking visits. Give us a call at 415-458-5333 for more information or to purchase your own card.

We bet you didn't know...

Our one hour parking validation is a great way to save money AND conveniently park your vehicle while in Downtown San Rafael. Downtown businesses buy validation tickets to give to their customers or clients. The tickets cost the businesses 10 cents each and provide customers with a \$1 discount - or one hour of free parking.

To participate as a visitor, simply ask for a validation from your favorite merchant. When parking in one of our two garages, use the validation at the pay station on exiting. Your fee will be reduced by \$1.00.

Merchants, please contact the Parking Services office at 415-458-5333 to join the program.
